RUNAWAY WAS CAUGHT AT NEVADA

Jasper Mitchell, One of the Trustees of Erie Jail Has Been Brought Back

Jasper Mitchell was brought back to Erie from Nevada, Mo., Sunday night by Sheriff Carwile, after having been taken into custody there.

On Thursday, June 26, early in the morning two trustees at the county jail, Elmer Abbott Gardner and Jasper Mitchell, made a break for liberty and succeeded in getting away. Both men appeared so trustworthy that they were given the freedom of the jail.

That morning they had been sent to get water and failed to come back. Mitchell was in jail because he had broken his parole. The offense through which he broke his parole was the giving of liquor to a minor. Mitchell was a married man and his wife and family had moved to a small home in Erie just a short time before he made his escape. Mitchell has a considerable term to finish up, and his family is practically without means.

We finally located and bought a few of those famous Strausky waterless cookers that make the meat roasts and vegetables melt in your mouth. Hurry or they'll all be gone. Find 'em at Rankin's.

Here Years Ago

Mr. and Mrs. Frank Moore, who are here with the Georgiana Eddings Stock Co., were with the Gilmore Stock Company that opened and closed the first season of the Airdome eight years ago. Miss Blair also with this week's company, was here with the Morey Stock four years ago. All three are renewing acquaintance with Chanute people.

Popular Hymns in Kansas

The most popular hymn in Kansas right now ought to be: "What Shall the Harvest Be," although the river accidents also suggest, "Throw Out the Life Line." Traffic prosecutions in Wichita also suggest that automobilists should be fond of: "Let the Rear Lights Be Burning."—Wichita Eagle.

Strawberry, Vanilla, Chocolate Ice Cream and Pineapple Sherbert at The Legitimate Drug Store.

"They Were All Good."

The large audience at Manager Johnson's cozy Airdome last night pronounced the Georgiana Eddings Stock Co. to be the best seen here in a long time and the beautiful drama "The Two Sisters" was given an enthusiastic reception. Miss Eddings is an accomplished actress, has strong support and an unusual complement of handsome scenery, costumes and effects. The specialties are good and a big week at the Airdome is looked for. To-night a brand new play "The Girl from the Underworld" will be seen for the first time in this city, with complete change of scenery, costumes and specialties.

Band Concert To-night

To-night is the date for the regular every other Tuesday night concert given by the Chanute band. A good program is promised and it will be played at Santa Fe park, as usual. The regular Sunday concert will be given at Central Park auditorium Sunday afternoon.

Each Tuesday evening concert is apparently more popular than the previous one if the crowds that attend are any evidence, a larger number gathering at the little park each concert.

BARTLESVILLE FIRM AWARDED CONTRACT

Topeka Firm Failed to Qualify—McGrigor and Hingle Next Best Bidders.

The Board of Education held its regular monthly meeting last night in the office of Supt. J. F. Hughes. After the regular business of the month had been transacted the matter of contract for the Junior high school was brought up. Bowers and Kearns, the Topeka firm to which the contract had been awarded did not put up the required bond as they said that an error in computation had made their bid such a low one. McGrigor and Hingle, the next best bidders were then awarded the contract and they were notified of this by long distance telephone message. The firm expects to have a representative on hand Monday night and will be ready to furnish the bond required. This is the general contract for the building, and does not include the heating and ventilation contracts. The contracts for these as well as for the construction of the Senior high school building and for the heating and ventilation of that building will be awarded Monday night, if the bids are approved by the board. This will get all the general contracts out of the way and everything will be in readiness for work to commence.

Dodging the Heat

Many have been undecided as to whether or not they would leave home or not this summer, being rather inclined in fact to stay home, have decided since last Saturday to dodge a part of the heat anyway and get away to a cooler climate. Since Saturday the tourists have greatly increased in numbers and more are expecting to go during the coming week.

Received today, a car of 1 right new bale ties, at the right price at Rankin's.
